To Whom It May Concern:

St. Joseph Grade School and Pre-School would like to take this opportunity to compliment Jarrett Construction Services, Inc. on a job well-done.

Approximately one year ago we contracted with Jarrett Construction Services, Inc. to construct a new pre-school building for our school. A very tight time line was given for completion of this project, and not only did they meet that time frame, they completed ahead of schedule, without sacrificing the quality of workmanship.

It was a pleasure doing business with this company, as they were very professional and hardworking.

We would recommend them to anyone looking for a high-quality, experienced and professional construction company.

Sincerely,

Carol Templeton  
Principal  
St. Joseph Grade School
